Well, words can't express how much I appreciate you being a part of our Summer Resident Mixer. The mixer wouldn't have been a success without you. We have over 200 attendees throughout the evening. I've heard nothing but wonderful comments on how great the food and drink samples, massages, waxings, and prize giveaways were. Our residents were definitely treated to a great event. Our goal by having this type of event is to show our residents who's in our neighborhood and get them into your businesses and I think we accomplished that last night.

If you have any feedback, positive or negative, please let me know. Would love to hear your thoughts! Again, thanks for being a wonderful partner and if you need anything from me or the Downtown BID, please let me know.
